

Creed Wines

TASTING NOTE

2005 Two Brothers - Shiraz / Viognier

1st Vintage Release

Region

Barossa

Percentages

Shiraz 97%

Viognier 3%

Colour

Dark red, crimson to black centre

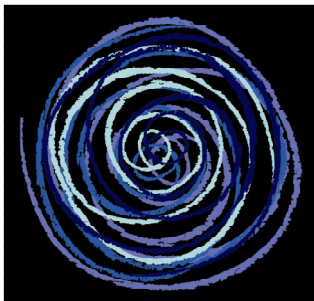

Nose

Lifted aromatics of mixed spices, pepper and cherries, some leather abounds getting the juices going.

Flavour

Rich and full the palate explodes with cherries, spices and clean acidity. This wine displays the best in Barossa Shiraz density and intensity matched with fine French oak mid palate drive and finished with the polish of a touch of Viognier to lift aromatics and drive a cleaner finish to the palate. A lengthy after taste confirms the level of quality that is achieved in this wine.

Two Brothers

Vinification and Maturation

Not a new style of wine for either the Barossa or the world, with the major Rhone Valley producers mastering this wine over many decades, without letting on what their secret was!

Barossa Shiraz has a special place in the Australian palate with it's density and sometimes assault on the senses, with the introduction of a touch of Viognier the flavours and aromas become more polished and refined with lighter hints of smaller components of spice and leather being allowed to emerge from the raging body of the wine. Open fermentation, basket pressing and maturation in old and new French oak add to the complexity of this wine.

A wine that will be readily enjoyed as a young style will also compliment the patient and reward with medium to long term cellaring. Creed are therefore proud to present to you our first Two Brothers Shiraz Viognier.

Technical data

Alc/ Vol: 15.0%

pH: 3.55

Ta: 6.90 gms/ litre
